Deputy Director for Intelligence
Inspector General

SUBJECT : Proposed Revision of [] Reporting
Changes in CTVA

25X1

1. The attached subject proposal is sent you for your concurrence or comment. The Director of Logistics proposed the revision to require reports only semiannually instead of quarterly on vehicle authorization transfers or vehicle type or category changes within the CTVA. He believes this reduced reporting cycle would still provide his office with adequate data.

2. Changes from the printed text are shown by crosshatching and scoring. Should you have any questions on this proposal, please refer them to [] Office of Logistics, extension []

3. Please send us your comments or concurrence within 20 workdays. A concurrence sheet is attached for your convenience.
